Thank you for joining us for our 5th annual Tacoma Moon Festival!

The Tacoma Moon Festival is an event that celebrates diversity within our great City of Tacoma with emphasis on introducing the Chinese Autumn Festival and the legend of the Moon Princess.

The day is meant to share the arts and heritage of different cultures through stage performances, crafts and other activities. This event provides a center for community, unity, and building connections among one another.

The Chinese Reconciliation Project hopes to spread the message of reconciliation and cultural harmony through education. Our mission is to provide as much opportunity as we can to show how cultural wealth can unify us all. As we continue to promote our message of inclusion and harmony in diversity, we hope you will continue to participate in the great events we offer to bring our community together!
